

GOL D. RUKU

# GOL D. RICKU

GOL D. ROGER, MORE COMMONLY KNOWN AS GOLD ROGER, WAS A LEGENDARY PIRATE WHO, AS CAPTAIN OF THE ROGER PIRATES, HELD THE TITLE OF PIRATE KING AND OWNED THE LEGENDARY TREASURE KNOWN AS ONE PIECE.

THE FAMOUS LAST WORDS OF GOL D MADE EVERY PIRATE TO HUNT FOR HIS TREASURE ALL OVER THE WORLD.

INTRODUCING THE NEWEST PROJECT ON THE ETHEREUM BLOCKCHAIN. ALTOGETHER WE WILL HUNT THE LOST TREASURE WITH A COMPLETE PLAN, MAPS, AND TOOLS, WE WILL START OUR WONDERFUL JOURNEY INTO THE CRYPTO SPACE OF ETHEREUM BLOCKCHAIN.

# TOKENOMICS

Gol D. Inu token (\$GINU) is a deflationary Ethereum Mainnet token that will be launched on the 9th of November with a supply of 1 quadrillion Tokens.

Contract deployed will have an anti-snipe feature and buyers for the 1st 5 blocks will be blacklisted, so be sure to wait for our contract announcement before buying. Liquidity will be automatically locked.

In order to execute the plans and roadmap of the Token more efficiently and effectively, there are allocated fees to maximize the development and maintenance of our project to be always in better condition. For this reason, below are the fees allocated for the success of our token. 5% will be allocated for the overall marketing and for the development of the game. 4% will be for the berries treasury and buybacks. 1% will be for the RFI. Also, there will be a max wallet of 2.5% and a max transaction of 0.5% to minimize big dumps, making the project more sustainable.
